### FOOD SAFETY POLICY STATEMENT

EbrRAR Nigeria Limited (ENL), is committed to providing high quality catering services to our customers.

Our primary focus is that we serve safe and quality food, that conform to all applicable requirements that meet the highest food safety best practices. We accomplish this, by utilizing broad-based Hazard Analysis and Critical Control Points (HACCP), to ensure consistent food safety in all locations where we operate, and to earn the trust of our customers and consumers.

We recognize that strong food safety programs require adequate investment in resources to achieve food safety objectives and to support the development, implementation, maintenance and ongoing improvement of a safe, quality food program.

Our food safety performance is considered at every management meeting and reviewed to ensure that it continues to reflect the aims and aspirations of the company and it is kept up to date.

We are committed to satisfying applicable food safety requirements, including statutory and regulatory requirements and mutually agreed customer requirements related to food safety, as well as continually improving our food safety management system in accordance with the tenets of ISO 22000:2018 in delivering consistent satisfaction of our customers.

We engage competent & motivated employees and the use of modern day technologies to facilitate internal and external communications within our food safety management system.

This food safety policy is implemented and communicated to relevant interested parties, within and outside the organization as required.
